Hi Angelina,

We've pretty much filled all the dates except for the final movie night on August 25th. Would you be available to meet early next week to talk about that final night?

Thanks,

I thought that the movie night was one of the last things that we were doing? Additionally, if we are having another meeting, I would love to discuss it then. With regard to the popcorn machine, we have not received the door yet. So, it is as ready as it can be. We will have to wait and see if the door gets here.

We do not have bags, you'll have to purchase those. :/ I do think that we will have enough popcorn though.

Hi Angelina  
An update!  
Can we please have 50 chairs for each night and the popcorn machine and water.  
Do we need to get our own pop corn for the machine?  
No problem, just let me know  
Also, wherever the chairs are coming from will they set up and tear down?  
We were thinking about 'Fame' too for the final night movie...fits in brilliantly with the district.  
The original of course...not the naff remake!  
Let me know what you think.

Best,  
Samantha

Hi Angelina  
Just wanted to touch base with you regarding equipment for the next couple of weeks.  
Aaron has managed to get power for us, from the outlet by the palm tree on the street end of the plaza, so we won't need a generator!

We also won't need the PA for the first two weeks, the improv group don't need it and the band we have booked for the 23rd are bringing all their own equipment, which is great!  
But we will need chairs...

Things are progressing really well I think!

I'll keep in touch as we book acts and coordinate our equipment needs with you.  
Are we able to screen Moulin Rouge?

Let me know if you have any questions, also the pop corn machine and the water would be great for every event I think...a little something extra for our audience.

Very best, Samantha
